

CANDIDATE MANIFESTO

YOUR NAME:

Jessica Harris-Voss

YOUR DEPARTMENT:

Anthropology

THE POSITION YOU ARE APPLYING FOR:

Ramsay Hall Rep

YOUR PHOTO:**YOUR 100 WORD SUMMARY:**

I am applying for the Hall Rep position at Ramsay, which are clearly the best halls! I am living in the New York block and am studying anthropology. I wanted to apply for this position so that I can act on any requests for change at Ramsay Halls (not that a huge amount needs changing), if anybody has any queries or requests than they can come to me, and I will put their ideas forward. I also want to throw lots of Ramsay parties...we are the party halls after all.

YOUR MANIFESTO:

- I will listen to any requests for the improvement of Ramsay Halls
- I will try to get a gate that will actually open with our keys installed on Whitfield Street
- I will put through any requests made by anybody from Ramsay that will benefit the halls
- I will make sure that we most definitely have the best and most regular parties at Ramsay
- I will try to get the Ramsay bar in the basement up and running, so that the basement and common room will be friendlier and more sociable.
- I would like to make better usage of the Ramsay library, music room and computer room, making them more accessible.
