**YOUR NAME:**

Izabela Kolodziej

**YOUR DEPARTMENT:**

SSEES

**THE POSITION YOU ARE APPLYING FOR:**

SSEES entertainments officer

**YOUR 100 WORD SUMMARY:**

My name is Izabela Kolodziej and I'm running for the position of SSEES entertainment officer. I have been always very active in all sorts of students societies and I enjoy the sort of work and have a good experience in standing up for students' needs. My main aim would be to bring all SSEES students together for various social and cultural events so there would be bigger sense of SSEES community within the building.

**YOUR MANIFESTO:**

- I aim for being a voice of SSEES students! It's important to me to represent them effectively.
- I will make sure students are aware of issues within UCL Union, and our department.
- I want to create a bigger sense of SSEES community through taking care of various events organized to bring all the students together!
- Do you think there should be more debating events? Or you have an idea for a department party? I will be always more than happy to listen to your needs and ideas and then putting it through in front of the Union Council.
- Because SSEES is such a wide department I would work hard to make sure there's a big range of events organised within the community both academic such as debates, seminars and everything else from freshers party to seasonal balls.
