

CANDIDATE MANIFESTO

YOUR NAME:

Thomas Elliott

YOUR DEPARTMENT:

Human Sciences

THE POSITION YOU ARE APPLYING FOR:

Student Trustee

YOUR PHOTO:**YOUR 100 WORD SUMMARY:**

The UCL Union offers fair and equal chances to people from all backgrounds within UCL. These are opportunities brought about by the high levels of passion of the members of the union and a democratic system, which gives voice to any member of the union who wishes to be heard. I will uphold the values intrinsic to UCL Union, objectively making sure that it continues to grow and mature in the right direction and continues to provide opportunities to all of its diverse members.

YOUR MANIFESTO:

If elected I will:

- Bring an even and fair voice to the union. Listening to those wishing to voice complaint or propose an issue more positively, then I will objectively analyze it and make sure that it lies within the unions – and therefore your best interests.
- Continue to make sure democracy is what our union is based on; constantly reviewing the constitution and the individual parts of the structure of the union is necessary to keep it up to date and all parts pertinent for its running.
- Maintain the way the union runs; this is integral for its efficiency and to, in my opinion, minimize the bureaucracy within it, making it easier for societies to deliver the best they can to its members.
- Make sure that all decisions made by the union make your time at UCL more enjoyable. At the end of the day, this is why the Union is here in the first place!
