YOUR NAME:

Danielle Tobin

YOUR DEPARTMENT:

English

THE POSITION YOU ARE APPLYING FOR:

Arts and Humanities Faculty Representative

YOUR 100 WORD SUMMARY:

Hello! I'm a friendly 2nd year English student who wants to make sure that the voices of Arts and Humanities students are not ignored. After all, what would UCL be without us? I will make sure I'm always available to listen to your concerns, ideas, suggestions, groans, gripes – and hopefully your satisfaction too!

YOUR MANIFESTO:

I will do everything in my power to make sure that what you want done *gets done*. I don't have a political agenda, and will bring *your* views to the Council.

For example,

- ✓ More copies of certain books in the library so you don't have to fight off your course mates before an essay deadline?
- ✓ More computers available in the Main Library and Faculty common rooms so you don't have to queue in the Science Library?
- ✓ Better communication between students and staff?
- ✓ More socials – why should the Medics and Lawyers have all the fun?!

I will listen and work hard to make sure action is taken.

VOTE!
