**YOUR PHOTO:**

**YOUR NAME:**

Shiva Riahi

**YOUR DEPARTMENT:**

Faculty of Laws

**THE POSITION YOU ARE APPLYING FOR:**

Law Faculty Rep Open Seat

**YOUR 100 WORD SUMMARY:**

I want to run for Law Faculty Rep Open seat because I really want to be involved in the activities of the Union and represent the interests of the Law Faculty. Law students make up one of the biggest proportions of students here at UCL and as such we should have a strong voice within the Union. I believe already having a university degree gives me the extra level of responsibility and maturity that will allow me to further the interests of my fellow students.

**YOUR MANIFESTO:**

- Work with the Union to organize a Pub Quiz Night between the Medics and the Law Students as well as other inter-department pub quiz nights.
- Maintain the quality and variety of foods at JB's and continue to push for more student friendly deals.
- Represent the issues of law students to the best of my ability and make certain that any concerns or complaints of the law students are brought to the attention of the Union.
- Ensure that students are able to maintain good relationships with professors and make certain that they remain available for students.
