

CANDIDATE MANIFESTO

YOUR NAME:

Usman Hyder

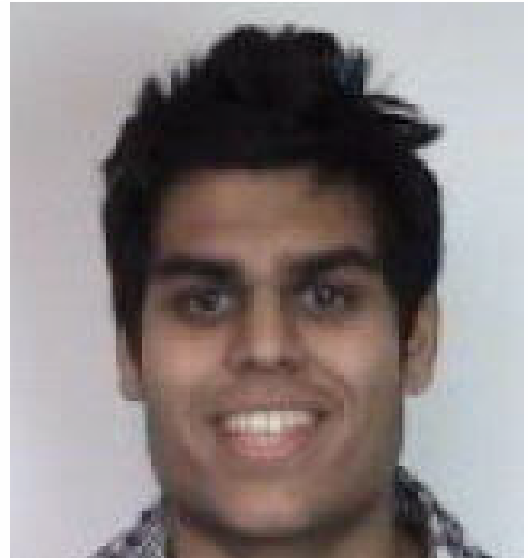

YOUR DEPARTMENT:

Life Sciences

THE POSITION YOU ARE APPLYING FOR:

Biomedical Sciences

YOUR PHOTO:

YOUR 100 WORD SUMMARY:

I am a 2nd year biomedical sciences student with bags of enthusiasm for the job. My priorities include liaising with the staff and students, raising important issues from within the biomedical sciences student body and attending council meetings to relay these issues.

YOUR MANIFESTO:

I intend to offer help directly from medical students to biomedical sciences undergrads for those interested in pursuing a career in medicine. Including personal statement checking.

Coinciding with this, I intend to organise workshops for students wishing to continue into medicine.

I also plan to organise career help from professionals to give career guidance to students.

I will raise any issues that Biomed students face with the Sabbatical officers, whether it is a matter of welfare or an academic issue.

VOTE FOR ME, because I will bring you change!
