

Vote Shani Gray

for

BME Students' Officer

As BME Students' Officer at UCL I intend to:

- Listen to other students on issues concerning race, culture and diversity.
- Feedback to the union honestly and fairly on how students feel.
- Make sure action is taken by the union when needed, so that students' demands are met.
- Not only deal with the issue of racism, but also promote and celebrate the ethnicity of this university.

It's imperative that students feel embraced by UCL staff and students, regardless of their racial background. Discrimination in this university simply should not be tolerated, and I believe it's the role of every member of this institution to stand up against such injustice. As BME Students' Officer, I will be the link between the individual and the union so that the issues are heard. So...

Vote Shani Gray for BME Students' Officer!
