

Dear fellow UCL students!

My name is Sergei Kopsov and I am a second year Economics and Business with Eastern European Studies student at UCL wishing to join the Finance & Services Committee at our union.

If elected, I will actively participate and contribute to the committee and the daily financial running of the union.

I am an active figure at the union, and I have personally experienced how clubs and societies have had a very difficult time getting funding for their activities. I will see to that grants are being spent appropriately, see to that all clubs and societies get fair funding through out the year and ensure that our union's expenses are handled in a correct manner.

I will make sure that your concerns and opinions regarding the union will be heard at the committee as I believe the union has to be dedicated to the well being of students at UCL!

I am an honest and reliable person who wants to take a more significant and active role in the daily activities in our university campus and union. Therefore I hope you will give me your vote at the upcoming elections!

Vote for me and I will represent you in the best possible way!

If you have any questions or if you just wish to talk with me,

Please send me an email on s.kopsov@ucl.ac.uk and feel free to talk with me on campus!
