

Will Hall For Societies Officer

Hi, my name is Will and I'm a First Year ESPS student. So far this year I have debated for UCL, been active in the political societies, mentored, edited a small student newspaper and have just been cast in a Drama Soc play. I reckon that the Societies are the best part of the University and the breadth of choice is incredible.

As Societies Officer I would:

- **Help encourage smaller societies to grow.**
- **Help 'de-mystify' the affiliation process and make it easier for great society ideas to take shape.**
- **Help in organising a great freshers' fayre.**
- **Provide societies with the support they need to operate with the Union.**
- **Be a keen and available link for all societies.**
- **Encourage more inter-society events and communication so that resources and talent can be pooled.**
