

Suliaman Zaheer for Campaigns & Equal Opportunities Officer

Background

I am a student of 3rd year Civil Engineering, and would like to be your Campaigns and Equal Opportunities Officer for academic year 10/11. Previously, I have worked in the following capacities.

- Student Ambassador at UCL since 2007.
- Departmental Committees
- Student Union President at College

Speak Up

- Promote Diversity.
- There has been a surge in the number of cases of bullying of students by lecturer.
- Unite against fascism & BNP.

Campaigns

- I Fully support motion making equal opportunity training mandatory for all officers.
- Multi-cultural theme events

In addition to this, my previous experience and knowledge about what the different positions of the Sabbatical Officers and Union Council involve, therefore, I feel I can support them all well with their Own Campaigns. What's more, I have familiarity about how the Students Union works and have gained many useful skills including organizational, communication and leadership.

As well as helping and encouraging Sabbatical officers and Union Councillors with their Own Campaigns, I want to make campaigns bigger and better and get more people involved, organise a campaign committee and run Campaigns on things such as Education Funding, Welfare and students rights. I want to campaign for you! Let me know what issues are arising and I'll get a campaign started to make a positive change!

Vote Suliaman for Campaigns & Equal Opportunities Officer, as I believe I have the knowledge needed and will be fully committed to this position.
