

Name: Maximilian Lejman

Position: SSEES Entertainments Officer

Manifesto:

Hello everyone,

My name is Max Lejman and I am currently studying Russian at SSEES. I have decided to run for the position of entertainments officer, as I feel that I have the ideas and motivation to make the social events at SSEES more varied and enjoyable for everyone in the department. I have tried to form a diverse, sociable and dynamic team with interests ranging from eating and drinking to art and theatre. I hope that in this way I will be able to create a whole range of events to entertain you all. Please read my aims and vote for me!!!

My Team:

Max Lejman – Social Presidente

David Farman – Minister for the Sacred Herb, Women’s Relations and Ambassador to Poland

Claudia Wagner – Minister for Arts and Crafts

Sheldon West – Minister for Vodka relations and Kebab Controller.

Alexei Grabarnik- Resident Russian and Ambassador to Georgia.

Why vote for me?

The reason is simple. Many of you in the department will already know that I really enjoy socializing. Therefore by voting for me you are putting your faith in someone who will be up for anything. You can expect to see myself, Dave Farman and Sheldon West at any events that involve SSEES and alcohol and we will always be trying to get as many people involved as possible.

Main aims:

- In this role as entertainments officer I would try to coordinate more events with the Russian and Polish societies that are made up of mainly natives. This would give us all the chance to socialize more with people, whose language and culture we are all studying.
- I would also focus on trying to further diversify the way we socialise at SSEES and try to organize more cultured events with the help of my secret weapon Claudia, who is always up to date in theatre performances and art exhibitions to do with Eastern Europe.
- My final aim is to make the most of the entertainments budget and make you say “that party last night was awful crazy” by throwing some balling party’s, pub crawls and club nights for SSEES students.

Please all vote for me PEACE I HOLLA x
