

Izabela Kolodziej  
Running for SSEES President

Manifesto:

- I will make sure SSEES students are aware of the issues within UCL Union and University and of everything that affects them
- I will listen to students issues and concerns and bring them up to Union Council
- I will try to make SSEES a friendly place with lots of socials, and get everyone together to create better sense of community within our department
- I will coordinate work of the committee effectively
- I will be representing students worthily
